Chocolate Syrup:

3/4 cup cocoa powder, sieved

Pinch kosher salt

1 1/2 cups sugar

1/2 teaspoon instant coffee granules

1 teaspoon vanilla extract

Combine the cocoa, salt, sugar and 1 cup of water in a medium saucepan and bring to a boil. Add the coffee granules, and simmer for 5 minutes. Pour the syrup into a bowl and add the vanilla. Cover and refrigerate until ready to use.

Raspberry Syrup:

1 pint fresh raspberries, sliced in 1/2

1/2 cup sugar

Juice of 1 lemon

Combine the raspberries, sugar, and lemon in a container. Cover and refrigerate for at least 2 hours, or overnight. Strain the syrup into a pitcher, pushing down on the berries to extract all the liquid.
