## EGGNOG FRENCH TOAST

1 1/2 cups PURITY EGGNOG

1/2 teaspoon nutmeg

8 (1-inch thick) slices French bread

2 tablespoons butter or margarine

Maple Syrup

Combine PURITY EGGNOG and nutmeg in a shallow dish; place bread slices in dish and turn to coat. Allow bread to soak for 10-20 minutes to absorb liquid. Melt butter in large skillet. Remove bread slices from eggnog mixture, allowing excess to drip. Cook in skillet for about 3 minutes on each side or until golden brown. Serve immediately with maple syrup.

Yield: 4 servings.
